

Welcome to the Sunshine Coast, a place of natural beauty where 10 rivers meet 150km of unspoilt coastline, and malaria-free Big 5 game reserves surround you. With more sunshine hours than anywhere else in the country, it offers the perfect blend of beach and bush.

As you journey along the R72 from Nanaga, you'll pass through charming dairy, and pineapple farmlands, stunning dune fields at Woody Cape, and the ancient forests of Alexandria, leading to the pristine tidal rivers and magnificent beaches that define the Sunshine Coast.

The valley bushveld, unique to the Eastern Cape, is a haven for wildlife, supporting more species per cubic metre than anywhere else. You'll also find several Big 5 game reserves, including the "Big 7" Greater Addo Elephant National Park. With over 400 bird species recorded, this region is truly a birder's paradise.

In addition to its natural wonders, the Sunshine Coast offers a wide range of activities—from water sports and scenic golf courses to historical trails, eco-walks, and hikes. You'll also discover delightful local cuisine, our coffee culture, stunning specialised retail outlets, talented artists, and beautiful galleries, all made even better by the warm-hearted and friendly locals.

WELCOME TO THE KENTON-ON-SEA!

A holiday in the Barefoot Capital is all about feeling the sand between your toes, the salty sea breeze, and soaking up the sun. It's meeting friends for sundowners on the Island, cruising up the Kariega or barging up the Bushmans to spot some game, swimming in Mermaid's Pool, or just going for a walk to Kwaihoek.

It's that favourite T-shirt, going barefoot anywhere in the village, and taking things easy. But most of all, it's about spending time with the people who matter most – family, friends, and making memories together.

The Ultimate Holiday Destination

Kenton-on-Sea is renowned for its breathtaking beauty and unique location, making it the perfect spot for an unforgettable holiday or an idyllic lifestyle. Just across the river lies the charming village of Boesmansriviermond, with narrow streets shaded by majestic milkwood trees. A scenic 2.5 km walk from the Bushmans River Mouth along the beach leads to the picturesque Kwaihoek, with an additional 2.5 km to the historic Diaz Cross—a must for nature lovers and history buffs alike.

Nestled between the Kariega and Bushmans rivers, Kenton boasts a stunning coastline and a nature reserve teeming with wildlife. Both rivers, flanked by game reserves, offer a wide range of outdoor activities. The Bushmans River stretches for 32 km and the Kariega for 16 km, providing endless opportunities for paddling, cruising, water-skiing, or simply floating along with the tide. The rivers are home to diverse birdlife and wildlife, with the chance to spot the Big 5 along the way.

A stroll between the two rivers will reveal hidden treasures such as caves, rock pools, and tranquil bays, all shaped by striking rock formations. The shifting tides and changing weather create an ever-evolving landscape, perfect for exploring. Snorkel at Blue Pool, cast your line at Rocking Horse, swim at Sidney's Hope, or simply relax and watch for whales and dolphins from the cliffs at Shelly Bay.

The Lifestyle

The Village Centre is always buzzing with activity. Mornings are spent with locals popping into their favourite coffee spots, grabbing a fresh brew, and catching up with friends. On weekends, the town comes alive with people heading to the beach, or meeting friends at one of the vibrant local eateries. As you meander through Kenton Road, you'll be treated to the work of local artists, from renowned creators to budding talents and a lovely selection of speciality stores.

A NOTE FROM KOSRA - BE WATER WISE!

As a community, we all share the responsibility of preserving one of our most vital resources: water.

By being water-wise, we can ensure its availability for all.

Simple actions like fixing leaks, using water-efficient appliances, reducing outdoor water waste, and managing showers and house hold consumption.

Let's work collectively to use water wisely, recognizing its value and the role we play in safeguarding it for all.

♥ Support Local, Build Community ♥

Every time you shop, dine, or explore locally, you're helping our community thrive.

Together, we can keep Kenton and our villages vibrant and unique.

Shop local. Dine local. Love local. Your support matters!
